

TUFTS UNIVERSITY

Student Financial Services

Dear Federal Work-Study Supervisor:

We are pleased of your involvement in the Federal Work-Study Program. I have enclosed the following payroll forms to be completed by the work-study student:

- **Personnel Action Form**, Sections 1 and 2 completed and signed
- **Employment Verification Form (I-9)**, with legible copies of documents verifying the student's work eligibility.
- **Employee's Withholding Allowance Certificate (W-4)**
- **Direct Deposit Form**, with a blank, voided check

The student can either complete these forms with you or here at the Student Employment Office. In either case, all of the forms must be completed and received before the student begins working.

I have also included an **Off-Campus Timesheet**, which records weekly hours worked by the student. It is the student's responsibility to keep an accurate accounting of his/her hours worked and to submit those hours to you in a timely manner. It is your responsibility to submit a signed timesheet with the total hours to me each week, no later than Friday at 5:00 pm. Timesheets can be faxed to Student Employment at (617) 627-3987. When done properly, the student will receive payment the following Friday. The first payment will be a check that the student can retrieve at Dowling Hall. All subsequent payments will be directly deposited into his/her designated account.

I look forward to working with you under the Federal Work-Study Program. If you have any questions about these procedures, please contact me at (617) 627-3677.

Sincerely,

Joanne M. Grande

The institution agrees to use its best efforts to make eligible students available to the Organization for the performance of specified work assignments upon the conditions herein set forth by signed authorization only. Authorizations must be revised for each academic year and for the summer program. Students may not be employed officially or be paid under the Federal Work-Study Program until: (a) an approved contract is on file at the Student Employment Office, (b) the authorization form has been approved by the Student Employment Office, and (c) a copy returned to the Organization.
2. The institution shall be deemed the employer for the purposes of this agreement.
 - a) The Institution has the ultimate right to control and direct the services of the student for The Organization. It shall also determine that the students meet the eligibility requirements for employment under the Federal Work-Study Program, assign students to work for the Organization, and determine that the students do perform their work in fact. The Organization's right shall be limited to direction of the details and means by which the result is to be accomplished.
 - b) The Institution shall pay the compensation to the students for the work performed and the Institution shall make any required income tax withholdings and all payments due as an employer's contribution under State and Local Worker's compensation Laws, under State or Federal Social Security Laws, or under any laws applicable to such employees.

4. It is agreed that the Institution, either on its own initiative or at the request of the Organization, shall have the right and power to remove students from work on a specified work assignment and that the students themselves upon reasonable notice shall have the right to terminate employment.
5. The Organization agrees that the Institution shall supply students to work for it upon the following conditions with which it agrees to comply:
 - a) The work is to be performed for a public or private non-profit organization.
 - b) No student shall be denied work or subject to discrimination or different treatment on the grounds of race, color, national origin, or sex and to this end the Organization agrees that it will comply with the provisions of the Civil Rights Act of 1964 or amendments thereto and the regulations of the Department of Health, Education, and Welfare which implement said act.

 - e) The Organization agrees that it will be responsible for following the established procedures and policies of the institution as they may be changed or amended at any time
 1. the recording of hours worked;
 2. the changing of job functions or conditions;
 3. the termination of students

 5. the due dates for all forms, records, reports, or information on or about the Federal Work-Study Program

 - g) The Organization agrees to identify and hold harmless the Institution from and against any and all claims for property damage or personal injury or otherwise that may result directly from the acts or omissions of the student employees while under the direction, supervision, or control of the Organization.

6. Number of Hours:

- a) During the academic semester, the Organization should not expect to employ the student more than 20 hours during any week in which there are classes. While the law permits exceptions to the above, Tufts University students should not be employed for more than 20 hours a week without prior permission from the Student Employment Office at the university.
- b) During the summer vacation and other regular vacation periods, students may be employed up to but not exceeding 40 hours a week. This is not intended to limit the rights of the student or the Organization in the matter of employment for additional hours or periods of time for which compensation is to be paid from sources other than Work-Study funds.

7. In consideration of the work to be performed by the students made available to it by the Institution, The Organization agrees to make the following payment(s) to the Institution prior to each student's employment. Any unearned wage payment will be returned to the Organization within a month of the termination date of each student.

a) Billing and Rate Schedule:

The institution shall provide the Organization an itemized statement of earned wages for authorized students on a monthly basis according to the rate schedule set forth.

- 9. This agreement may be terminated at any time by the Institution or the Organization upon two weeks prior notice to the other party.
- 10. This agreement is the sole Federal Work-Study Program agreement between the Institution and the Organization. Upon the signing of this agreement, all other agreements, either expressed or implied, are rendered null and void.
